

Multi Functional Solar Portable Power Supply

- Lightweight and Powerful!
- AC&PV 2 Charging way make power be with you anywhere
- AC , DC and USB output meet different power demand
- Support big power appliance
Ideal emergency backup power

PS8B

PS8B Technical Specification

Battery Capacity	1000Wh			
Battery Type	Li-ion 18650			
Battery Charging Power(AC)	200W Max			
Battery Voltage	11.1V			
PV Input Voltage	14 - 45V DC			
PV Input Power	25A Max (300W)			
AC Output Power	1000W			
AC Output Voltage	110V/230V			
AC Output Frequency	50Hz/60Hz			
Output Ports	AC wall socketsX2, Type-C USBX1; USBX4 12V car cigaretteX1			
DC Output Voltage	5V	5V	12V	5V/9V/12V/20V Adaptive
DC Output Current	2.0Ax2	1Ax2	10A	3A
LCD Display	Yes			
On/Off Button	Key power switch; AC on/off button; DC on/off button			
Certification	CE/FCC/ROHS
